

**ASSISTANT TEACHING PROFESSOR
DEPARTMENT OF STATISTICS
UNIVERSITY OF MISSOURI-COLUMBIA**

The Department of Statistics seeks to fill at least one assistant teaching professor position starting Fall 2017. A doctorate in statistics or related field before the starting date. Excellence in teaching, and excellent communication skills are required.

This position is structured so that 80% of the appointment is teaching (4 courses per semester or equivalent), and 20% is service. The administrative home for this faculty position resides solely in the Department of Statistics. Review of applicants will begin on March 15, 2017 and will continue until the position is filled.

Please apply online at <http://hrs.missouri.edu/find-a-job/academic>. Merge your CV with a brief cover letter into one document and upload it in the Resume/CV section of the application. Applicants should also include transcripts. Have three letters of reference sent directly to

The Department of Statistics has 17 faculty members with research interests in adaptive

designs, Bayesian statistics, biostatistics, bioinformatics, ecology, environmental statistics, model selection, nonparametric statistics, order restricted inference, sequential design, shape analysis, spatial statistics, spatio-temporal processes, and time series. Faculty research includes theoretical and methodological statistics with diverse applications such as AIDS research, air pollution, biostatistics, climatology, disease mapping, ecology, economics, engineering, forestry, genetics, meteorology, oceanography, psychology, and wildlife biology. Current research is supported by about four million dollars in grants from EPA, NASA, NIH, NSF, and the Missouri Department of Conservation. Furthermore, members of the department serve as statistical consultants on grants in the health sciences for over three million dollars. The department offers bachelors, masters, and PhD degrees and has over 90 graduate students. For more detail see <http://www.stat.missouri.edu/>.

Columbia is a city of more than 110,000 people located in central Missouri. Kansas City and St. Louis are each about 120 miles from Columbia, less than a two-hour drive on Interstate 70. Local cultural activities are numerous with a thriving live music scene, and numerous plays and concert series offered by the city, University, and Stephens and Columbia colleges. The city is connected to the state-wide hiking-biking trail network (the "Katy Trail"). The Ozark recreational area is a two to four-hour drive from Columbia and provides camping, hiking, water sports and float trips. For more information about the city of Columbia, please visit <http://www.gocolumbiamo.com>.

The University of Missouri is fully committed to achieving the goal of a diverse and inclusive academic community of faculty, staff and students. We seek individuals who are committed to this goal and our core campus values of respect, responsibility, discovery and excellence.

The University of Missouri is an Equal Opportunity/Access/Affirmative Action/Pro Disabled & Veteran Employer.
