## What is it?

American Statistical Association (ASA) [DataFest™](#) is a nationwide big data competition with the goal of analyzing data provided by a well-known corporate sponsor.

## Who can compete?

Hard-working **undergraduate** students in any major are welcome. You don't need to have previous experience analyzing data to get involved as workshops will be hosted by the Department of Statistics to teach you the necessary skills.

## How can I get more info?
